Dear Prof. Ouzman,

My name is Cloud Wang, and I am writing on behalf of Group 21 in the CITS5206 Capstone Project. We have been assigned to Project 14a – Fire Vulnerability App for Cultural Heritage Sites.

We would like to arrange an initial meeting with you to better understand the project scope, requirements, and your expectations.

Would you be available at any of the following times?

- Wednesday, any time before 3:30 pm
- Thursday afternoon before 2:30 pm

If these times are not convenient, we would be happy to meet at another time that suits you. We are happy to meet either in person or online.

We look forward to working with you.

Kind regards,
Cloud Wang
Group 21

Dear CITS teams,

Thank you for your interest in the fire vulnerability app.

I am addressing this mail to both groups to save time and to ensure uniform communications.

Happy to meet with both groups simultaneously this Thursday. We could meet – provisionally in in Social Sciences 1.10 (venue to be confirmed given the short notice).

Let me know if that works and I can run you through the background to the project.

Best

Sven
