Hi all,

I have met with Rachel who informed me it's best if I get added to the Github repo. Could the owner please add me? My username is karla-ivkvc.

On another note, please be aware that a part of your professionalism mark does include attending scheduled meetings, therefore I expect everyone to attend (unless there is an unforeseen circumstance that prevents you from coming). If Thursdays at 10am do not suit majority of the group, I suggest that the meeting time is changed.

Consistent attendance as well as participation (attending meetings, replying to team chats in a timely manner, etc) are all important if you aim to get a high score in professionalism for this unit.

Have a good rest of your week and I look forward to meeting the rest of you at the next meeting.

Kind regards,
Karla

Hi Cloud (and others!)

Thanks for your email.

What time is your groups usual weekly meeting? It's probably easiest if I just listen in to that meeting rather than us needing to schedule a new meeting.

Thanks.

Karla
